End Application:

4920-01-326-7353

Component Quantity:

2

Mounting Configuration:

Two round pins: one 0.156 dia, one 0.187 dia, center to center 0.438 inches

Component Controlling Agency:

Mcmaster-carr supply co

Component Name:

Thermocouple connectors, female jack

Component Identifying Number:

3869k24 catalog no.

Mounting Method:

Plug-in

Special Features:

Max temp 475 degrees f; round-pin standard; color yellow

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T389-b
