Overall Length:

4.000 inches

Overall Height:

0.500 inches

Overall Width:

1.130 inches

End Application:

5805-01-454-4416, node center switch

Mounting Facility Type And Quantity:

2 unthreaded hole

Special Features:

Manufacturer nomenclature plate, adapter

Material:

Aluminum

Material:

Aluminum

Style Designator:

Irregular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10100
