Contact Material:

Phosphor bronze

Contact Surface Treatment:

Tin

Accommodated Contact Quantity:

144

End Application:

Tornado

Special Features:

Micro-pitch socket, metric housing sub-assembly for 28 mm square, 0.65 pitch pqfp; contacts are triple rows on each of four sides; dimensions between center of contact to center of contact opposite side row closest to edge of board 37.0 mm square, middle row 32.0 mm, inner row 27.0 mm; distance between contacts center to center 1.95 mm

Supplementary Features:

Board dimensions in mm 38.2 square, o/a height in mm 11.83; distance between 1st and last contact on each side center to center of contact 22.76 mm; package plastic; maximum height above pcb 9.49 mm; contact mount through hole; housing material high temperature thermoplastic; housing flammability rating ul94v-0; packaging method tube; qty per tube 14

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
