Electrical Modular Receptacle Connector - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5935-01-493-5751

End Application:
5895-01-461-9786
Special Features:
Kavailable in 9, 15, 19, 23, 25, 37 and 50 circuits; optional plating of shell; contact: brass; insulator: glass filled polyester ul940-v; shell: steel
tin platedas standard; current rating: 3a ac, dc; voltage rating: 250v ac, dc
Color:
Black
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
