Contact Maximum Current Rating In Amps:

16.0 all mating ends single contact grouping

Contact Maximum Ac Voltage Rating In Volts:

250.0 all mating ends single contact grouping

Contact Material:

Copper alloy all mating ends single contact grouping

Contact Surface Treatment:

Nickel all mating ends single contact grouping

Special Features:

Socket type french/belgian: material thermoplastic, flammability protection rating ul 94-v0

Color:

Ivory

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
