**Contact Maximum Current Rating In Amps:**

16.0 all mating ends single contact grouping

**Contact Maximum Ac Voltage Rating In Volts:**

250.0 all mating ends single contact grouping

**Contact Material:**

Copper alloy all mating ends single contact grouping

**Contact Surface Treatment:**

Nickel all mating ends single contact grouping

**Special Features:**

Socket type french/belgian: material thermoplastic, flammability protection rating ul 94-v0

**Color:**

Ivory

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A039b0
