Electrical Receptacle Connector - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5935-01-506-6922

End Application:
Directed infrared counter measures
Special Features:
Glass filled insulator; copper alloy fixed contacts; 7.5 amps contact current rating; temperature range -55/+125 degrees c
Precious Material And Location:
Contact plating gold
Precious Material:
Gold
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No.
