Body Style:

Straight shape

Overall Length:

2.500 inches

Overall Height:

0.710 inches

Overall Width:

0.350 inches

End Application:

5895-01-467-7469

Product Name:

Connector, adapter, 50 pin to 68 pin scsi

Special Features:

Thermoplastic insulator and housing, phosphor bronze contacts with selective gold plate over nickel plate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
