Mating End Quantity:
40
Contact Position Arrangement Style:
2 rows of contacts non-inserted board single mating end
Contact Maximum Current Rating In Amps:
1.0 single mating end single contact grouping
Contact Maximum Ac Voltage Rating In Volts:
1000.0 single mating end single contact grouping
Connector Locking Method:
Latch
End Application:
Receiver demo
Terminal Location:
Back single mating end single contact grouping
Terminal Type:
Printed circuit single mating end single contact grouping
Included Contact Quantity:
40 all mating ends single contact grouping
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A039b0
