Overall Length:

5.260 inches

Overall Height:

1.300 inches

Overall Width:

5.240 inches

End Application:

Wheeled tanker; 3990-01-443-8024 engineering mission module used on the palletized loading system; 3990-01-444-6174 bitum distributor

Component Quantity:

1

Mounting Configuration:

Two 0.33 diameter mtg holes, 4.53 inchseperation

Component Name:

Quick disconnect support

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T389-b
