#### **Body Style:**

Angle shape, w/o cable clamp

### **Overall Diameter:**

0.625 inches

## Body Angle In Deg:

90.0

#### End Application:

Chinook ch-47d helicopter

### **Distance From Centerline To Connector End:**

1.100 inches

## Included Contact Quantity:

1 single mating end single contact grouping

Shelf Life:

N/a

#### Unit Of Measure:

--

## Demilitarization:

No

### Fiig:

A039b0
