Body Style:

Rectangular shape

Overall Length:

11.170 inches

Overall Height:

0.870 inches

Overall Width:

1.160 inches

Mating End Quantity:

2

Contact Position Arrangement Style:

3 rows of contacts non-inserted board all mating ends

Product Name:

Connector modules, pull-thru - signal

Special Features:

Material: nema grade epoxy glass g-10, finish: legend screened white on black

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
