**Threaded Device Type:**

Mounting hole

**Connector Locking Method:**

Threaded hole

**End Application:**

Radar system 3d long range band d

**Product Name:**

Connectors, electrical, plug, circular, threaded, straight, removable crimp, series iii metric

**Special Features:**

Polarizing position normal

**Specification Data:**

81349-mil-dtl-38999/26e government specification

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A039b0
