Threaded Device Type:

Coupling facility

Polarization Method:

Contact

Connector Locking Method:

Internally threaded coupling ring

Connector Cable Strain Relief Method:

Compression nut and grommet

End Application:

5985-01-079-3879

Included Contact Type:

Coaxial pin single mating end all contact groupings

Product Name:

Assembly, connector, male "n".

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
