## NSN 5935-01-535-8388

Electrical Connector Bracket - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5935-01-535-8388

End Application:
Tg2 spare parts
Product Name:
Support, electrical wiring
Special Features:
Made from alco die number 44281; protected from corrision during manufacture, storage and shipment
Style Designator:
Irregular
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A10100
