Body Style:

Surface mount

Overall Length:

2.990 inches

Tempurature Rating:

-50.0 degrees fahrenheit and 120.0 degrees fahrenheit

Overall Height:

1.000 inches

Overall Width:

1.700 inches

Contact Maximum Current Rating In Amps:

10.0

Contact Material:

Any acceptable

Accommodated Contact Quantity:

11

End Application:

TRUC-K,-CAR-GONS

Missing Contact Designation:

8th contact position

Product Name:

Relay, socket

Special Features:

Horsepower rating: 1/3 hp at 120 vac: 1/2 hp at 240 vac. Socket rating: 15amp 300 volts. Class 8501, type nr, use with class 8501, type k relay.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02300
