**Body Style:**

Rectangular

**Overall Length:**

24.400 inches

**Overall Height:**

1.750 inches

**Overall Width:**

1.750 inches

**Contact Maximum Current Rating In Amps:**

16.0

**Accommodated Contact Quantity:**

15

**Product Name:**

Rack pdu, basic, zero u, 16a, 208/230v, (15) c13

**Special Features:**

Black in color; operating temp 32-113 degrees f; cul listed ce csa ul 60950 ul listed vde; cord length 8.2 ft; input connections iec-320 c20; output connections (15) iec-320 c13; rack mountig brackets included

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A02300
