Overall Length:

4.531 inches

Overall Height:

0.797 inches

Overall Width:

4.531 inches

End Application:

S-843/trn-44a, shelter, nonexpandable

Seal Type:

Gasket

Mounting Facility Type And Quantity:

6 unthreaded hole and 6 screw

Product Name:

Weatherproof two gang device cover (ass'y) for vertical duplex w/device mount

Special Features:

Color is gray; receptacle type is duplex

Material:

Metal

Style Designator:

Rectangular-hinged

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10100
