Overall Width:

24.8 millimeters

Distance From Centerline To Connector End:

24.8 millimeters

Distance From Centerline To Cable End:

59.2 millimeters

Product Name:

Water tight emi/rfi cable sealing backshell with strain relief

Special Features:

length in inches 1.5

Style Designator:

Angle shape split type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10100
