Overall Length:

2.800 inches

Overall Height:

0.500 inches

Overall Width:

0.300 inches

Distance Between Mounting Facility Centers:

2.400 inches

Mounting Facility Type And Quantity:

2 screw

Special Features:

Next higher assembly 11449678; used on patriot missile

Material:

Aluminum

Material:

Aluminum

Style Designator:

Right angle type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A10100
