Product Name:

Connector, header, straight, 2mm grid, shrouded, dual row, thru hole

Special Features:

2.00mm pitch milli-grid header, vertical, through hole, shrouded, lead-free, 14 circuits, gold plating, center polarization slot, with locking window, without pcb locator, tube.

Precious Material And Location:

Plating contact gold

Precious Material:

Gold

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
