Body Style:

Straight shape duplex

Overall Height:

1.330 inches

Overall Width:

1.330 inches

Body Length:

2.730 inches

Distance Between Mounting Facility Centers:

3.280 inches

Mating End Quantity:

2

Contact Position Arrangement Style:

"3, 5-15" 2nd mating end

Shell Surface Treatment:

Plastic

Product Name:

Heavy duty straight blade duplex receptacle

Special Features:

Product type: flush receptacles; style: duplex; amperage: 15a; voltage: 125v; 2 poles, 3 wire grounding; wiring method: side wire only; face style: finder groove; nema number: 5-15r; terminal screw material: number 8-32 brass/ni plated for neutral; wire clamps material: .062 inch steel-nickel finish

Color:

Brown

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
