Overall Length:

1.216 inches

Overall Width:

0.496 inches

Component Quantity:

3

Component Controlling Agency:

Tyco electronics corporation

Component Name:

Plug assembly, low profile hdf, with pre-assembled cover and threaded inserts

Component Identifying Number:

C-747053 drawing no.

Mounting Method:

Plug-in

Precious Material And Location:

Pin contracts on mating end gold

Precious Material:

Gold

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T389-b
