Body Style:

Straight shape, flush mount

Unthreaded Mounting Hole Diameter:

Between 0.116 inches and 0.126 inches

Mating End Quantity:

1

Insert Position In Deg:

0.0

Shell Type:

Solid

End Application:

Nh 90 helicopter

Shell Material:

Aluminum

Specification Data:

81349-mil-c-81511/30 government specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
