Product Name:

Contacts, electrical, connector, socket soldertact, removable, shielding

Special Features:

Contact weight 0.362 grams unterminated; mates with 0.0635/0.0615 diameter pin; triaxial cable inside; heat-shrinkable, radiation-crosslinked polyvinylidene fluoride; four holes required to accommodate the contact manufacturing process

Material:

Beryllium and copper alloy 173

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0
