**Product Name:**

Contacts, electrical, connector, socket soldertact, removable, shielding

**Special Features:**

Contact weight 0.362 grams unterminated; mates with 0.0635/0.0615 diameter pin; triaxial cable inside; heat-shrinkable, radiation-crosslinked polyvinylidene fluoride; four holes required to accommodate the contact manufacturing process

**Material:**

Beryllium and copper alloy 173

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A062a0
