Connector Adapter - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5935-01-556-3278

## Body Style:

Angle shape

Threaded Device Type:

Coupling facility

# Mating End Quantity:

2

# Shell Type:

Split

#### Connector Locking Method:

Internally threaded coupling ring

# **End Application:**

A-10

## Criticality Code Justification:

Aaql

#### Shell Material:

Aluminum

#### **Product Name:**

Backshell, electrical

## **Specification Data:**

06324-380-105 manufacturers specification

Shelf Life:

N/a

## Unit Of Measure:

--

## Demilitarization:

No

#### Fiig:

A039b0
