Overall Length:

0.690 inches

End Application:

C-130 amp

Product Name:

Socket, relay, electrical plug in, 4 pole

Material:

Plastic and rubber and steel

Test Data Document:

88277-5d0513 standard (includes industry or association standards, individual manufactureer standards, etc.).

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A536x0
