End Application:

Mark iii hilicopters sh-60b

Product Name:

Inavy conector, receptacle

Special Features:

Circuits: 12; color: natural, white; durability: 30 cycles; flammability: 94v-0; two rows; vertical; operating temperature: -40deg c to 105 degrees c; current: max. 6.00 amp; voltage: max. 600v

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
