Overall Length:

2.500 inches

End Application:

C3d sonar imaging system

Product Name:

Connector pig tail female

Special Features:

4 pin, 8 connector; used underwater; molded neoprene; mated pressure rating (psi) 20, 000; up to 300dvc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
