Body Style:

Press fit

Overall Length:

0.834 inches

Overall Height:

0.535 inches

Overall Width:

0.630 inches

Contact Maximum Current Rating In Amps:

1.5

Accommodated Contact Quantity:

8

Projection Length Above Mounting Surface:

0.075 inches

Product Name:

Jack, rj45

Special Features:

Mtl. Nylon46/pbt glass filled, contact mtl. Phosphor bronze, shiled mtl. Copper alloy, plating-gold/contacts, nickle/shield, tin/tails

Supplementary Features:

8 position/contacts, surface mount120 voltage rating, lead-free, rohs compliant

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02300
