End Application:

Retractable aircraft landing light

Component Quantity:

1

Component Controlling Agency:

Grimes mrg co

Component Name:

Connector assembly

Component Identifying Number:

1-6220-213 drawing no.

Mounting Method:

Connector

Special Features:

Next higher assembly outer canopy and drive housing assembly

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T389-b
