Overall Length:

4.760 inches

Overall Height:

0.375 inches

Overall Width:

0.450 inches

End Application:

Portable ship control unit 6956634

Product Name:

Connector

Special Features:

Nha: control-display, optoelectronics nsn 5980-01-420-9306. Includes 3 ea. Mounting holes on 2.260 inch centers.

Material:

Silicone

Precious Material And Location:

Filled silicone rubber silver

Precious Material:

Silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
