**Fragility Factor:**

Moderately rugged

**Size Designation:**

14

**Product Name:**

Strain relief-connector designator d

**Special Features:**

Rotatable coupling 90 degrees; 7/8-20 unef

**Surface Treatment:**

Nickel

**Style Designator:**

Single clamping action w or w/o bushing

**Supplementary Features:**

Connector specification mil-dtl-26482

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A10100
