Overall Length:

1.240 inches

Threaded Device Type:

Coupling facility

Mating End Quantity:

1

Contact Removability:

Removable single mating end all contact groupings

End Application:

Aircraft, stratofortress, b-52

Terminal Type:

Pin single mating end all contact groupings

Included Contact Quantity:

2 single mating end all contact groupings

Product Name:

Wall mounting receptacle

Special Features:

Quadrax type contacts, back panel mount flange has 4 mounting holes, metric threads on coupling m25x1-6g

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
