Overall Length:

1.760 inches

End Application:

5895-01-471-1046; data analysis control group

Special Features:

Frequency range: dc-2, vswr: 1.02; frequency range: 2-4, vswr: 1.04; frequency range: 4-18, vswr: 1.06

General Description:

The 2510 series fixed terminations (utilizing type n connectors) are precision, broadband, low vswr terminations suited to a wide variety of general purpose and precision laboratory applications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
