Overall Length:

0.960 inches

Overall Diameter:

0.800 inches

Special Features:

N male precision termination with chain frequency range dc to 18 ghz; impedance 50 ohms; power handling capability 2 watts; max.

Vswr 1: 30

Material:

Copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A513y0
