Overall Length:

1.691 inches

Overall Width:

0.624 inches

End Application:

Cable assembly set

Accessory Components And Quantity:

Female jack post 2; wire rope 1

Product Name:

(inavy)protective cover for front mounted backshells to mil-c-24308 connector

Special Features:

Wire rope eyelet diameter is 0.182 inches; wire rope has polyurethane jacket; finish description is cadmium/o.D. Over electroless nickel (500 hour salt spray)

Material:

Aluminum alloy

Surface Treatment:

Cadmium and nickel

Supplementary Features:

Wire rope is 6.0 inches in length

Thread Size And Series/type Designator:

0.112-40 unc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
