Connector Locking Method:

Externally threaded coupling nut

End Application:

6625-01-513-6372; program set, application

Thread Length:

0.125 inches

Shell Material:

Stainless steel

Product Name:

Connector, plug, electrical,

Special Features:

Small bulkhead mounting

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
