End Application:

8145-01-534-3597 mult-temp refr cont

Product Name:

Connector, plug, electrical

Special Features:

Operating temp range: -55 degree celsius to +125 degree celsius, insulation resistance: 100 megohm min at 25 degree celsius, main polarizing key

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
