**End Application:**

Tst stand hyd elec housing assembly, front common gse: test stand, electric pccn: p4j4c0

**Product Name:**

Connector

**Special Features:**

Connector, strain relief, water tight; 2in diameter x 2 13/16in long; notes: cage code 0wg77

**Supplementary Features:**

Used on (top assembly) 98612-100; die cast finish

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A039b0
