End Application:

Aircraft applications

Product Name:

Female subminiature-d connector

Special Features:

Arrangement-15; female; crimp, 20 awg-24 awg; mounting hole 0.120inch diameter; no hood; rotating male screw locks; zinc plated with chromate seal;

Precious Material And Location:

Contacts gold

Precious Material:

Gold

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A039b0
