Electrical Receptacle Connector - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5935-01-576-8957 **Shell Material:**

Aluminum

Shell Surface Treatment:

Nickel

Shell Surface Treatment Specification:

Astm b733 assn standard single treatment response

Product Name:

Connector, receptacle, electrical

Special Features:

Class r, size 13 shell, electroless nickel plating

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A039b0
