End Application:

6625-01-513-6372; program set, application

Product Name:

Insert, electrical connector-plug, signal and coaxial, 24 to 30 position

Special Features:

Operating temperature negative 55 degrees celcius to 125 degrees celcius

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10100
