**Overall Width:**

0.968 inches

**Body Angle In Deg:**

90.0

**End Application:**

Helicopter systems

**Mounting Facility Type And Quantity:**

1 threaded coupling

**Product Name:**

Emi/rfi non-environmental backshell with strain relief, type d, rotatable coupling, low profile

**Material:**

Nickel alloy

**Surface Treatment:**

Nickel

**Style Designator:**

Angle type

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A10100
