Overall Height:

9.500 inches

Overall Width:

6.500 inches

End Application:

2355-01-559-0791 mine resistant vehicle, medium (mmpv)

Product Name:

Plate, battery pass through commander side

Special Features:

Thickness: 0.125 inches ; material: high strength, low alloy hslas, grade50, class 1 or 2; applicable standards/specifications: asm y14.100-2004 and asme y14.5m-1994

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A10100
