Unthreaded Mounting Hole Diameter:

Between 0.690 inches and 0.810 inches

End Application:

2355-01-529-2246 mine resistant vehicle, cougar, joint eod rapid response vehicle, 6x6

Seal Type:

O-ring

Product Name:

Cord grip

Special Features:

Lock nut material: zinc-plated steel; bushing material: neoprene; o-ring material: buna-n; type: standard; shape: straight; liquid tight: yes; trade size: 1.0 inch; thread od: 1.32 inch; nema rating: not rated; ip rating: ip67

Material:

Steel, corrosion resisting

Material:

Stainless steel

Thread Series Designator:

Npt

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A10100
