End Application:

A-10 aircraft

Cable Opening Quantity:

1

Product Name:

Backshell, electrical

Surface Treatment:

Cadmium and nickel and paint

Surface Treatment:

Cadmium and nickel and painted

Specification Data:

06324-06324-380-103 manufacturers specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A10100
