Mating End Quantity:

1

End Application:

Type n male (plug) for lmr-400 cable

Product Name:

Connector, plug, electrical

Special Features:

Center contact: gold plated brass; outer contact: nickel plated brass; body: nickel plated brass; coupling nut: nickel plated brass (knurled); crimp sleeve: nickel plated copper; dielectric: silicone rubber; shrink sleeve: adhesive lined polyoefin; impedance: 50 ohms; working voltage: 1000 vrms (max)

Supplementary Features:

Vswr: 1.25: 1 (max) up to 2.5 ghz; diameter: .825 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
