End Application:

Electronics equipment

Product Name:

Mini-com tx6 plus shielded jack module

Special Features:

Category 6, rj45, 8-position, 8-wire universal shielded black module with integral shield; shielded jack module

Supplementary Features:

Screened category 6 rj45 wall outlet characterised up to 250mhz; compliance statement 2007-021-screened connecting hardware de-embedded test method, category 6

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
